Get a Life, **GoPro!!**

Authorized

PADI

CDC

Career Development Center™

CRYSTAL DIVERS was the first PADI 5* Career Development Resort to be established in Indonesia. We have been training PADI Professionals since 1996

GET A LIFE! GO PRO WITH CRYSTAL DIVERS 5* CDC CENTRE

Join the TRIBE, become a PADI Divemaster and take your career anywhere. When was the last time you said "I love my job! "?

Go PRO and you'll be saying it all the time. Ditch the nine to five office job. Live your dream by sharing it and showing it to others who also enjoy diving around the world. You'll be part of the largest, most widely recognized scuba training organization in the world. With more than 5900 PADI Dive Centers and Resorts on the planet, the world is your office and your playground, only your imagination can stop you!

Becoming a Divemaster at PADI 5*Career Development Centre Crystal Divers will give you a kick start in your Diving career by building contacts, skills and knowledge that will get you the right diving jobs in the future. GoPRO with Crystal Divers!

DIVEMASTERS WANTED! JOIN THE TRIBE!

Do you have a deep passion for diving, want to live the dream in a paradise island doing what you love, and get paid for it? Or, do you feel you want to develop your dive skills and knowledge so that you feel comfortable in any diving situation? Or maybe both?

JOIN THE TRIBE and become a PADI DIVEMASTER

When you join the Tribe by becoming a PADI Divemaster, you align yourself with the largest and most respected dive tribe in the world "PADI Professionals". These are PADI Divemasters and Instructors sharing a passion for diving and an active concern for the health of the world's underwater habitats.

Are you ready to become the next professional Ambassador for the Ocean?

The PADI Divemaster Course will be your first step in the right direction towards a successful diving career.

If your working towards becoming a PADI instructor, being a PADI Divemaster is one prerequisite certification for both the PADI Assistant Instructor and PADI Open Water Scuba Instructor certifications.

COURSE OVERVIEW WHAT YOU WILL LEARN

During the PADI Divemaster program with Crystal Divers, you will learn dive leadership skills through practical application with REAL customers, workshops, classroom and independent study. You complete water skills and stamina exercises, training exercises that stretch your ability to organize and solve problems, as well as helping others to improve their scuba. You put this knowledge into action through a structured internship or series of practical training exercises.

As you progress through your Divemaster course, you'll expand your diving knowledge and skills and increase your confidence. Then, as a PADI Divemaster, you'll use these attributes to lead, mentor and motivate other divers, and experience the joy of seeing them transformed by the majesty of the the aquatic realm.

Also, since Crystal Divers is a Resort with both dive center, hotel, restaurant, bar and dive shop, you will get to learn the daily run of a Dive resort. This will benefit you alot when later searching for a job, and make your life easier when you start working. However the main focus is on DIVING everyday, as much as you can!

TIME REQUIREMENTS

Our Divemaster internship offers an in-depth, comprehensive training program. As such our minimum 1 month internship covers the foundation you will need to grow into a confident dive professional. More importantly for you, is that there is no maximum time.

COURSE PRE-REQUISITES

To qualify to enter the Divemaster course you must

- Be 18 years old at the start of Divemaster training
- Have logged 20 dives
- Have completed EFR Primary and Secondary Care training within the last 24 months
- Be medically evaluated and cleared for diving by a physician within the last 12 months
- Be certified as a PADI Advanced Open Water Diver and PADI Rescue Diver or have equivalent rating through another organization.

Note: Proof of 60 dives is a certification requirement for Divemaster certification, which is all included in the Divemaster course package.

Bali was recently listed by PADI as one of the top four best locations to GoPRO and do a divemaster internship. The diversity of aquatic life and dive sites, the amazing warmth of the Balinese people and the ease of access to world class amenities make Bali one of the best locations in the world to train as a professional diver. Join us at Crystal Diver and explore some of the best diving in South East Asia!

WHAT YOU CAN TEACH

After becoming certified as a PADI Divemaster you will be authorized to

- Supervise both training and non training related activities by planning, organizing & directing dives
- Assist a PADI Instructor during the training sessions for any PADI Diver course
- Conduct the PADI Skin Diver course and PADI Discover Snorkeling program
- Conduct the PADI Discover Local Diving experience
- Conduct the PADI Scuba Review program
- If qualified as a Discover Scuba Diving Leader, independently conduct the PADI Discover Scuba Diving program.
- Earn the PADI Digital Underwater Photographer Specialty Instructor rating to be able to teach the PADI Digital Underwater Photographer specialty.
- Independently guide Open Water Diver course students on the tour portion of Open Water Diver course Training Dives 2, 3 and 4 at a ratio of two student divers per certified divemaster.
- Accompany Open Water Diver students under the indirect supervision of a PADI Instructor during:
 - surface swims to and from the entry/exit point and during navigational exercises: and
 - when the instructor conducts a skill, such as an ascent or descent, a Divemaster can remain with other student divers (with an individual student or buddy team)
- Accompany student divers during Adventure Dives or Specialty training dives under the indirect supervision of a PADI Instructor.
- Conduct the PADI Seal Team Skin Diver Specialist AquaMission
- Conduct subsequent dives under an instructor's indirect supervision for Discover Scuba Diving participants after participants have satisfactorily completed the first dive with a PADI Instructor.
- Teach Emergency First Response courses after successfully completing an Emergency First Response Instructor course.

Flexible Divemaster Internship in Bali

Start whenever you want. We do not have any specific start dates for our Divemaster internship in Bali, you can start any day you like! If you working and only have time a few days in a week, no problem we will have a customized schedule for each candidate.

WHY CERTAIN SPECIALTIES ARE SO IMPORTANT TO A DIVEMASTER

As a Divemaster it is important to be able to cater to many different types of divers so that you do not lose out on customers due to your certification limits. We offer a wide range of specialties at Crystal Divers, which will help you in your diving career as a PADI professional.

- Deep Diver, so that you are able to guide divers with deep certification up to 40 meters
- Search & Recovery Diver. Your customer loses something? You would be the hero of the day if you could easily find it for them
- Nitrox Diver, so that you can guide divers who want to dive on nitrox (to extend no deco times)
- Wreck Diver, so that you are able to guide wreck divers into wrecks

Other specialties that are extremely valuable for you as a Divemaster are:

- Oxygen Provider, if there is an emergency, you are legally allowed to provide 100% O2
- Tec diver, guide customers that want to do TEC fun dives

FOOD AND ACCOMMODATION

During our GoPRO programs, make sure that you are well taken care of. One advantage of having our own restaurant and hotel, mean that we eat very, very well and stay close to the action. For the first 30 days your lunches will be **INCLUDED FOR FREE**. You will receive 30 lunch tickets upon arrival which you can use during your training. If you wish to stay longer you can either pay the lunches each day you dive, or you can buy 30 new tickets for a very beneficial price.

- We offer monthly lunch packages for \$100 (30 lunch tickets value over 200\$ USD)
- We offer monthly home stay packages between 200\$ - 500\$/month depending on your needs all within walking range of Crystal Divers.

Other Free Perks

- Free high speed wireless internet access in our facilities.
- Visa assistance program.
- Airport pickup option.
- Free Basic dive equipment rental (BCD, Regulator etc).

Not included are accessories such as computer, compass, knife and surface marker. Even though you can rent the equipment, we strongly advise to get your own. We have excellent packages for our Divemaster interns since we have our own equipment shop with some of the markets top brands such as Aqualung, Apecks, Suunto, Scuba Pro and Mares

We also include the following free workshops to our programs if interest is shown

- Equipment workshop
- Compressor workshop
- Resume workshop
- Equipment sales workshop
- Digital underwater photography workshop
- Discover sidemount diving workshop
- If you plan to do your IDC with Crystal divers we offer 5 Dive theorys extended Session, which prepares you well for the IDC

MEET THE STAFF

CRYSTAL DIVERS COURSE DIRECTORS

Minni Vangsgaard (DK)

Award winning Platinum Course Director Minni Vangsgaard and owner of Crystal Divers is a Mentor with a golden heart and vast experience conducting IDC's around the world. Minni was the first Course Director in Bali and awarded Best Course Director in Australia and Asia 2007 as well as voted Best Instructor by Asian Diver magazine. Also Minni was awarded numerous times by PADI for OUT STANDING contribution to the dive industry and in 2012 for the PADI Diver training Scholarship Program in Indonesia. Also in 2013 she was awarded with the award Water Sports Mentor of the Year.

Taka Matsumoto (JAP)

Taka has lead Team Japan with an unique flare and dedication since 2010. He started diving in Australia in 2004. Ever since his open water course he knew he wanted to travel the world as a diving instructor and now he is able to give others the same opportunity.

Conny Jeppson (SWE)

Conny started diving in the cold waters of Sweden in the cold winter of 2002. He quickly understood that the world awaited (with warmer water) and he set of to pursue his interests and soon found himself in Thailand for many years teaching people how to dive. After hundreds of students he realized that he now wanted to take it to the next level and became Indonesias first Swedish Course Director. And with the help of Crystals prime location and wonderful staff he is now helping people to do exactly the same thing he is so passionate about!

MASTER INSTRUCTORS/IDC STAFF INSTRUCTORS

Else Poulsen (DK)

Else is an IDC staff instructor who started diving in 1996 and has continued ever since. Else has a huge interest in and commitment to EFR and EFR Instructor Trainer. Her passion and knowledge for physiology and EFR is admirable.

Robin Bylund (SWE)

Robin is an IDC Staff Instructor who has been diving since 2006. He is our TEC and sidemount geek who always enjoys strong currents and challenges. If you like physics and equipment this is the guy to talk to. "If you can dream it, you can do it".
